

Licensed Activities

CoinMENA FZE is licensed by the Virtual Asset Regulatory Authority as a Virtual Asset Service Provider and broker dealer. As such our permitted activities are as below:

- a. Arranging orders for the purchase and sale of Virtual Assets between two Entities;
- b. Soliciting or accepting orders for Virtual Assets and accepting currency, or other Virtual Assets for such orders;
- c. Facilitating the matching of transactions in Virtual Assets between buyers and sellers;
- d. Entering into Virtual Assets transactions as a dealer on behalf of the Entity for its own account;
- e. Making a market in Virtual Assets using client assets; or
- f. Providing placement, distribution, or other issuance-related services to clients issuing Virtual Assets.
